December	6

AUTHORS

Anderson MB

Primary pulmonary artery sarcoma: A report of five cases treated surgically. 45(1):40

Andrews HG

Abdominal lymphangiomas in children: Case reports and review. 45(5):297

Andrus CH

Staged surgical management of cholecystocutaneous abscess. 45(5):273

Ballantyne GH

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

Basile RM

Postintubation laryngospasm-induced pulmonary edema: An uncommon clinical entity. 45(5):279

Bauman R

Deaths due to trauma in a level I trauma center. 45(3):127

Beierle EA

Misdiagnosis of retrohepatic caval thrombosis after orthotopic liver transplantation: A case report. 45 (2):92

Benzoni EM

Postintubation laryngospasm-induced pulmonary edema: An uncommon clinical entity. 45(5):279

Berkowitz RL

Aesthetic approach to simple and modified radical mastectomy. 45(1):15

Booth WV

Laparoscopic repair of ventral hernias using an intraperitoneal onlay patch: Report of current results. 45(4):211

Brandt B III

Percutaneous infraclavicular subclavian venous access in infants and children. 45(6):335

Buckley MJ

Symposium: Coronary disease in the general surgery patient. 45(5):309

Byrd M

Colon carcinoma in the geriatric patient. 45(2):79

Cagir B

Hypocalcemia in surgical critical care patients: Measurements of ionized calcium. 45(2):71

Carr SC

Staged surgical management of cholecystocutaneous abscess. 45(5):273

Chen MK

Misdiagnosis of retrohepatic caval thrombosis after orthotopic liver transplantation: A case report. 45 (2):92

Choban PS

A simple and effective technique for decompression of the difficult duodenum. 45(1):37

Cooley DA

Symposium: Coronary disease in the general surgery patient. 45(5):309

Cornell RB

Current management of mesenteric cysts. 45(3):159

Delany HM

Symposium: Decision factors for thrombosis prophylaxis. 45(4):235

DeMeester SR

Immediate use of recombinant erythropoietin in a Jehovah's Witness following major blunt trauma. 45(4):228

Emil SGS

Abdominal lymphangiomas in children: Case reports and review. 45(5):297

Eng C

Colon carcinoma in the geriatric patient. 45(2):79

Eubanks S

Symposium: Gasless laparoscopy: The next phase of laparoscopic surgery? 45(3):171

Fandrich B

Abdominal lymphangiomas in children: Case reports and review. 45(5):297

Finkelstein JL

Wound management series: Skin substitutes: Current clinical status. 45(1):23

Fisher JC

Symposium: Volunteerism among surgeons. 45(1):47

Flancbaum L

A simple and effective technique for decompression of the difficult duodenum. 45(1):37

Fleshman JW Jr

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

Francis C

Symposium: Decision factors for thrombosis prophylaxis. 45(4):235

Franklin ME Jr

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

Frist WH

Contained rupture of a thoracoabdominal aneurysm. 45(3):141

Gerard N

Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

index

Franklin ME Jr

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

Frist WH

Contained rupture of a thoracoabdominal aneurysm. 45(3):141

Gerard N

Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

Gerkin TM

Immediate use of recombinant erythropoietin in a Jehovah's Witness following major blunt trauma. 45(4):228

Gilbert C

Deaths due to trauma in a level I trauma center. 45(3):127

Goodwin CW

Wound management series: Skin substitutes: Current clinical status. 45(1):23

Gregory V

Iliac vein obstruction from colorectal carcinoma lymph node metastasis. 45(5): 305

Halbert C

Wound management series: Skin substitutes: Current clinical status. 45(1): 23

Hendler BH

Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

Herrington JL Jr

Medical and surgical history: Richard Douglas: Outstanding surgeon of the late nineteenth century. 45(1):44

Medical and surgical history: Paul Fitzsimmons Eve (1806-1877): The nineteenth century nestor of southern surgery. 45(6):345

Herz BL

Hypocalcemia in surgical critical care patients: Measurements of ionized calcium. 45(2):71

Heymann AD

Chilaiditi's syndrome with a positive hepatobiliary scan: A clue to ectopic acute appendicitis. 45(3):153

Hill SL

Deaths due to trauma in a level I trauma center. 45(3):127

Howard RJ

Misdiagnosis of retrohepatic caval thrombosis after orthotopic liver transplantation: A case report. 45 (2):92

Jacobs JP

Transabdominal resection of esophageal epiphrenic diverticula: An approach worthy of consideration. 45(3):135

Jager RM

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

Jamieson SW

Primary pulmonary artery sarcoma: A report of five cases treated surgically. 45(1):40

Kaminski DL

Staged surgical management of cholecystocutaneous abscess. 45(5):273

Kern KA

Delayed diagnosis of breast cancer: Biologic, technologic, and sociologic factors. 45(5):286

Kerstein MD

Colon carcinoma in the geriatric patient. 45(2):79

Klijian AS

Chilaiditi's syndrome with a positive hepatobiliary scan: A clue to ectopic acute appendicitis. 45(3):153

Konstantakos AK

Transabdominal resection of esophageal epiphrenic diverticula: An approach worthy of consideration. 45(3):135

Kraus MD

The spleen: An oncopathologic approach. 45(4):197

Laub DR

Aesthetic approach to simple and modified radical mastectomy. 45(1):15

LeBlanc KA

Laparoscopic repair of ventral hernias using an intraperitoneal onlay patch: Report of current results. 45(4):211

Lebovic GS

Aesthetic approach to simple and modified radical mastectomy. 45(1):15

Lee PC

Critical care management: Does this patient need antibiotics? 45(4):222

Levi JU

Transabdominal resection of esophageal epiphrenic diverticula: An approach worthy of consideration. 45(3):135

Machleder HI

Symposium: Thoracic outlet syndrome. 45(2):99

MacKenzie JW

Symposium: Coronary disease in the general surgery patient. 45(5):309

Madden MR

Wound management series: Skin substitutes: Current clinical status. 45(1):23

Magovern GJ

Symposium: Coronary disease in the general surgery patient. 45(5):309

Mahoney WD

Hypocalcemia in surgical critical care patients: Measurements of ionized calcium. 45(2):71

Marks JM

Recent advances in choledochoscopy. 45(6):327

Marsh EE

Immediate use of recombinant erythropoietin in a Jehovah's Wit-ness following major blunt trauma. 45(4):228

Marts BC

Staged surgical management of cholecystocutaneous abscess. 45(5):273

Matsumoto T

Colon carcinoma in the geriatric patient. 45(2):79

McGovern TM

Percutaneous infraclavicular subclavian venous access in infants and children. 45(6):335

Moore WS

Symposium: Thoracic outlet syndrome. 45(2):99

Moses M

Symposium: Volunteerism among surgeons. 45(1):47

Ombrellaro M

Iliac vein obstruction from colorectal carcinoma lymph node metastasis. 45(5): 305

Osteen RT

The spleen: An oncopathologic approach. 45(4):197

Pennino RP

Symposium: Volunteerism among surgeons. 45(1):47

Perry MO

Contained rupture of a thoracoabdominal aneurysm. 45(3):141

Iliac vein obstruction from colorectal carcinoma lymph node metastasis. 45(5): 305

Placik OJ

Subdiaphragmatic thoracic duct cyst. 45(1):29

Ponsky JL

Recent advances in choledochoscopy. 45(6):327

Porter JM
Symposium: Thoracic outlet syndrome. 45(2):99

Poticha SM
Subdiaphragmatic thoracic duct cyst. 45(1):29

Pousti T
Implantable insulin pumps. 45(4):216

Ringler JK
Postintubation laryngospasm-induced pulmonary edema: An uncommon clinical entity. 45(5):279

Rodriguez JL
Immediate use of recombinant erythropoietin in a Jehovah's Witness following major blunt trauma. 45(4):228

Roos DB
Symposium: Thoracic outlet syndrome. 45(2):99

Rothenberg ES
Chilaiditi's syndrome with a positive hepatobiliary scan: A clue to ectopic acute appendicitis. 45(3):153

Rubin RN
Symposium: Decision factors for thrombosis prophylaxis. 45(4):235

Saba AK
Current management of mesenteric cysts. 45(3):159

Salgia R
The spleen: An oncopathologic approach. 45(4):197

Santora TA
Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

Sariego J
Colon carcinoma in the geriatric patient. 45(2):79

Schwartz SI
Tumors of the small bowel: Case report of an unusual presentation and review of the literature. 45(5):292

Shumway NE
Symposium: Coronary disease in the general surgery patient. 45(5):309

Silver D
Symposium: Decision factors for thrombosis prophylaxis. 45(4):235

Skarin AT
The spleen: An oncopathologic approach. 45(4):197

Smith DR
Tumors of the small bowel: Case report of an unusual presentation and review of the literature. 45(5):292

Smith RS
Symposium: Gasless laparoscopy: The next phase of laparoscopic surgery? 45(3):171

Staiano-Coico L
Wound management series: Skin substitutes: Current clinical status. 45(1):23

Stryker SJ
Subdiaphragmatic thoracic duct cyst. 45(1):29

Stulberg BN
Symposium: Decision factors for thrombosis prophylaxis. 45(4):235

Swanstrom LL
Symposium: Gasless laparoscopy: The next phase of laparoscopic surgery? 45(3):171

Ujiki GT
Subdiaphragmatic thoracic duct cyst. 45(1):29

Wade TP
Staged surgical management of cholecystocutaneous abscess. 45(5):273

Walsh CB
Hypocalcemia in surgical critical care patients: Measurements of ionized calcium. 45(2):71

Waxman K
Implantable insulin pumps. 45(4):216

Weiman DS
Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

Whitaker JM
Laparoscopic repair of ventral hernias using an intraperitoneal onlay patch: Report of current results. 45(4):211

Wolfe BM
Symposium: Gasless laparoscopy: The next phase of laparoscopic surgery? 45(3):171

Zeppa R
Transabdominal resection of epiphrenic diverticula: An approach worthy of consideration. 34(3):135

Zimmermann JP
Symposium: Volunteerism among surgeons. 45(1):47

SUBJECTS

ABDOMEN
Abdominal lymphangiomas in children: Case reports and review. 45(5):297

Chilaiditi's syndrome with a positive hepatobiliary scan: A clue to ectopic acute appendicitis. 45(3):153

Contained rupture of a thoracoabdominal aneurysm. 45(3):141

Current management of mesenteric cysts. 45(3):159

Implantable insulin pumps. 45(4):216

Laparoscopic repair of ventral hernias using an intraperitoneal onlay patch: Report of current results. 45(4):211

Recent advances in choledochoscopy. 45(6):327

A simple and effective technique for decompression of the difficult duodenum. 45(1):37

The spleen: An oncopathologic approach. 45(4):197

Staged surgical management of cholecystocutaneous abscess. 45(5):273

Transabdominal resection of esophageal epiphrenic diverticula: An approach worthy of consideration. 45(3):135

BREAST
Aesthetic approach to simple and modified radical mastectomy. 45(1):15

CANCER
Iliac vein obstruction from colorectal carcinoma lymph node metastasis. 45(5): 305

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

CHEST
Postintubation laryngospasm-induced pulmonary edema: An uncommon clinical entity. 45(5):279

Primary pulmonary artery sarcoma: A report of five cases treated surgically. 45(1):40

Subdiaphragmatic thoracic duct cyst. 45(1):29

Symposium: Thoracic outlet syndrome. 45(2):99

COLON-RECTUM

Colon carcinoma in the geriatric patient. 45(2):79

Symposium: The technical nuances in laparoscopic colorectal surgery. 45(6): 355

CRITICAL CARE

Critical care management: Does this patient need antibiotics? 45(4):222

Hypocalcemia in surgical critical care patients: Measurements of ionized calcium. 45(2):71

DUODENUM

A simple and effective technique for decompression of the difficult duodenum. 45(1):37

ENDOSCOPY/LAPAROSCOPY

Laparoscopic repair of ventral hernias using an intraperitoneal onlay patch: Report of current results. 45(4):211

Symposium: Gasless laparoscopy: The next phase of laparoscopic surgery? 45(3):171

ERYTHROPOIETIN

Immediate use of recombinant erythropoietin in a Jehovah's Witness following major blunt trauma. 45(4):228

FACE

Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

HEART

Symposium: Coronary disease in the general surgery patient. 45(5):309

HERNIA

Laparoscopic repair of ventral hernias using an intraperitoneal onlay patch: Report of current results. 45 (4):211

HISTORY OF MEDICINE

Medical and surgical history: Richard Douglas: Outstanding surgeon of the late nineteenth century. 45(1):44

Medical and surgical history: Paul Fitzsimmons Eve (1806-1877): The nineteenth century nestor of southern surgery. 45(6):345

IMAGING

Chilaiditi's syndrome with a positive hepatobiliary scan: A clue to ectopic acute appendicitis. 45(3):153

Recent advances in choledochoscopy. 45(6):327

INFECTION

Critical care management: Does this patient need antibiotics? 45(4):222

INTESTINE

Chilaiditi's syndrome with a positive hepatobiliary scan: A clue to ectopic acute appendicitis. 45(3):153

Colon carcinoma in the geriatric patient. 45(2):79

Symposium: The technical nuances in laparascopic colorectal surgery. 45(6): 355

Transabdominal resection of esophageal epiphrenic diverticula: An approach worthy of consideration. 45(3):135

Tumors of the small bowel: Case report of an unusual presentation and review of the literature. 45(5):292

LIVER

Misdiagnosis of retrohepatic caval thrombosis after orthotopic liver transplantation: A case report. 45 (2):92

NUTRITION

Hypocalcemia in surgical critical care patients: Measurements of ionized calcium. 45(2):71

PEARLS

Practical pearls in surgery. 45(3):148

Practical pearls in surgery. 45(6):341

PULMONARY EDEMA

Postintubation laryngospasm-induced pulmonary edema: An uncommon clinical entity. 45(5):279

SKIN

Wound management series: Skin substitutes: Current clinical status. 45(1):23

SPLEEN

The spleen: An oncopathologic approach. 45(4):197

SUBMANDIBLE

Ludwig's angina: Case report of suppurative mediastinitis and review of the literature. 45(2):83

SURGICAL TECHNIQUE

Clinical concepts. 45(3):167

Practical pearls in surgery. 45(3):148

Practical pearls in surgery. 45(6):341

SYMPOSIA

Coronary disease in the general surgery patient. 45(5):309

Decision factors for thrombosis prophylaxis. 45(4):235

Gasless laparoscopy: The next phase of laparoscopic surgery? 45(3):171

The technical nuances in laparascopic colorectal surgery. 45(6):355

Thoracic outlet syndrome. 45(2):99

Volunteerism among surgeons. 45(1):47

TRAUMA

Deaths due to trauma in a level I trauma center. 45(3):127

Immediate use of recombinant erythropoietin in a Jehovah's Witness following major blunt trauma. 45(4):228

TUMORS

Colon carcinoma in the geriatric patient. 45(2):79

Primary pulmonary artery sarcoma: A report of five cases treated surgically. 45(1):40

Tumors of the small bowel: Case report of an unusual presentation and review of the literature. 45(5):292

VASCULAR SURGERY

Contained rupture of a thoracoabdominal aneurysm. 45(3):141

Iliac vein obstruction from colorectal carcinoma lymph node metastasis. 45(5): 305

Misdiagnosis of retrohepatic caval thrombosis after orthotopic liver transplantation: A case report. 45 (2):92

Percutaneous infraclavicular subclavian venous access in infants and children. 45(6):335

Primary pulmonary artery sarcoma: A report of five cases treated surgically. 45(1):40

Symposium: Coronary disease in the general surgery patient. 45(5):309

Symposium: Decision factors for thrombosis prophylaxis. 45(4):235

VOLUNTEERISM

Symposium: Volunteerism among surgeons. 45(1):47

WOUNDS

Wound management series: Skin substitutes: Current clinical status. 45 (1):23

CS
